VITAL VIBES

Three guys are fishing on a lake when an angel appears in the boat with them. The first guy gets over his shock and humbly says to the angel, "I've suffered from back pain for years. Is it too much to ask that you help me?" The angel touches the man's back, and he feels instant relief.

The second guy points to his Coke-bottle glasses and asks if the angel could cure his poor eyesight. The angel tosses the man's glasses into the lake. When they hit the water, the man's vision clears, and he can see everything distinctly.

The angel now turns to the third guy, who throws up his hands in fear. "Don't touch me!" he cries. "I'm on disability!"

Funny Medical Quotes by Hospital Specialists

A panel of doctors was asked for their opinions concerning a proposal to build a new wing to their hospital. This was what they said:

The Allergists voted to scratch it.

The Dermatologists preferred no rash moves.

The Psychiatrists thought it was madness.

The Radiologists could see right through it.

The Gastroenterologists had a gut feeling about it.

The Neurologists thought the administration had a lot of nerve.

The Obstetricians stated they were laboring under a misconception.

The Ophthalmologists considered the idea short-sighted.

The Pathologists yelled, "Over my dead body."

The Pediatricians said, "Grow up!"

The Plastic Surgeon said, 'This puts a whole new face on the matter.'

The Podiatrists thought it was a step forward.

The Urologists felt the scheme wouldn't hold water.

The Surgeons decided to wash their hands of the whole thing.

The Anesthesiologists thought the whole idea was a gas.
